To whom it may concern

This is to acknowledge that **Mr. Chandan Radhakrishnan V, Project Manager of "The Kanoo Group"** had successfully executed "**Detection, Measurement and Reporting of Fugitive Emissions for Borouge 3 Plant at Ruwais (7500000814)**" Contract from 2018 to 2020 within the scope of work, for ABU DHABI POLYMERS COMPANY LIMITED (BOROUGE).

During above period, he had applied required HSE procedures and followed Industry best practices. His ability to adopt the changes, attitude towards the project program, sincerity and dedication had made the Project to complete on time as per our requirement and it has added value to the program even at times of pandemic period.

We wish him and his team a success in their future endeavors.

Regards,

Ram Verma
Manager, Loss Prevention
