Kanoo Energy's Industrial Products Division, has been distinguished with the Special Recognition Award for Sales Achievement in 2023. This prestigious honor was bestowed by CORTEC during their Annual General Meeting held in Dubai on the 24th and 25th of January, 2024.

● Marking a Milestone in Sales Excellence

This accolade is a recognition of the Industrial Products Division's extraordinary sales performance over the past year, showcasing its dedication to achieving excellence in the highly competitive industrial products sector. The award by CORTEC serves as a significant acknowledgement of Kanoo Energy's commitment to delivering innovative and quality solutions to its clientele.

● Highlighted at CORTEC's Annual Gathering

The Annual General Meeting of CORTEC, a key event in the industry, provided an ideal platform for recognizing the achievements of Kanoo Energy's Industrial Products Division. The event, attended by industry leaders and professionals, emphasized the division's exceptional performance and its pivotal role in driving the sector forward.

● A Testament to Kanoo Energy's Market Leadership

The Special Recognition Award from CORTEC underscores Kanoo Energy's Industrial Products Division's strategic approach to sales and its customer-focused ethos. This recognition further solidifies the division's position as a leader in the industrial products trading sector, known for its comprehensive range of high-quality products and services.
